Managing Funeral Director: Ian R. J. Cooper

# WHO WE ARE

On June 15th, 1954, Reginald and Ivy Cooper, along with 3 daughters and 2 sons, emigrated to Canada from England on the S.S. Georgic, arriving in Trenton, Ontario and settling in Belleville, Ontario. One of those sons was Martyn R. J. Cooper.

In October 1965, Martyn obtained his Embalmers' Certificate of Qualification from the province of Ontario after completing the prescribed studies at the Banting Institute at the University of Toronto.

From 1968 to 1974, Martyn was employed at the J.B. Marlatt Funeral Home in Hamilton, Ontario. One evening while at work greeting people who were attending a visitation, he was approached by a lady by the name of Emma Awde who suggested that he move to her hometown of Jarvis and open a funeral home there.

Inspired by this interaction, on June 10, 1974, Cooper Funeral Home Limited was opened at 1 Dennis Street in Jarvis. On Thanksgiving Weekend 1980, after over a year of planning and construction, the current funeral home at 19 Talbot Street West was opened and ready for use.

In 1996, after working in various locations to gain experience, Ian returned home, along with his wife Lisa and 2 daughters, to work alongside his father to complement the service being provided to Jarvis and area.

On January 1, 2005, Martyn and Brenda's, Ian became a partner in the business started nearly 32 years prior by his parents. Together, Ian and Lisa continue the day to day focus on superior, compassionate service to Jarvis and the surrounding area with one overarching commitment: "Serving You As We Would Be Served"

# Payment, Financing, and Funding

We are happy to offer various payment, funding and financing options to our clients.

## Payment

Unless otherwise specified, payment is due within 30 days of signing the contract. Payment may be made by cash or cheque. Beyond the allotted time, interest will be charged at a rate of 1.5%, which is equivalent to 18% per annum (APR). Payment plans are also available to meet most budgets. Financing charges apply to payment plans.

If you are prepaying for services or supplies, pre-authorized chequing is also available

## Financing

Our payment plans give you the option of making payments over time. We offer a competitive financing program, administration fees and interest rates.

If paying for an “at need” funeral over time with an agreement made in advance, interest will be charged at the rate of .75% which is equivalent to 9% per annum (APR), calculated on the declining balance every 30 days PROVIDED all payments are made promptly as per said advance agreement. If payments are not made as per the agreement, interest charges will revert to 1.5% (18% p.a.), calculated on the declining balance every 30 days.

## Funding

For your convenience, we offer two funding options when prepaying services or supplies. (When prepaying, you pay for the services and supplies today and the money will be used to pay for the services and supplies when they are delivered at the time of death.)

**Trust:** You may pay the money directly to us and we will place it in trust, where it will accrue interest until the contract is fulfilled (when the services and supplies are delivered) or the contract is cancelled.

**Insurance:** You may purchase an insurance contract where the proceeds of the insurance contract will be used to pay for the services or supplies at the time they are delivered or the contract is cancelled.
